Guidelines to participate in Smart India Hackathon (SIH)

1. The members from different branches are encouraged to form a team. Each team would mandatorily comprise of 6 members including the team leader and at least one female member.

2. Software edition of the Hackathon comprises, digital product development, the majority of the team members must be well versed with programming skills.

3. Hardware edition of the Hackathon comprises, prototype development, the multi-disciplinary team with a good mix of Mechanical Engineers, Electronic Engineers, Computer Engineers, Product Designers and Programmers, etc. are expected.

4. Student can contact to the faculty members from CSE / ECE / BS department for the formation of group and finalization of topic under SIH.

5. It is mandatory to choose at least 1 supervisor from CSE / ECE department for consistent input and supervision.

6. SIH is technical event, thus, student must consider 1 supervisor from CSE / ECE department and additional supervisors may be from CSE / ECE / BS department.

7. SPOC will be the single point of contact for all the communication such as document upload, idea finalization, etc., as dedicated portal is provided by SIH.

SPOC, SIH-2022   I/c Dean

Dr. Jitendra V. Tembhurne   Dr. A. G. Kothari
