IMPORTANT NOTICE

Subject: Student registration on ABC portal to create unique ABC ID via NAD through DigiLocker enabling students' mobility across HEIs in India

Government of India has established a Digital Depository of academic awards called National academic Depository (NAD) in July 2017 and our Institute has already implemented NAD to store academic awards of our students. NAD can be used for accessing academic award online and verification seeking entities are also using NAD for verification of academic awards.

This is to inform that, as per National Education Policy 2020, the Academic Bank of Credits (ABC) has been envisaged to facilitate the academic mobility of students with the freedom to study across the Higher Education Institutions in the country with an appropriate “credit transfer” mechanism from one programmed to another, leading to attain a Degree/Diploma etc.

Students admitted from the session (2021-22) and onwards will get the benefits of the ABC Scheme.

ABC highlights:

- Enabling students' mobility across HEIs.
- Credits awarded to a student for one program from an institution may be transferred / redeemed by another institution upon students' consent.

DigiLocker highlights:

- It is an online store house of ALL ACADEMIC AWARDS viz. certificates, diplomas, degrees, mark-sheets, etc. duly digitized and lodged by academic institutions. In short it is the Sole repository for NAD (national academic depository).

NAD highlights:

- A Digital/online Repository for Academic Institutions. NAD not only ensures easy access to and retrieval of an academic award but also validates and guarantees its authenticity and safe storage.

Please note:

All the students admitted in session 2021-22 and onwards are advice to register on ABC portal to get benefits of the Academic Bank of Credit Scheme (ABC). After registration on ABC portal ABC ID will be generated by ABC portal. The student has to submit the ABC ID to the Faculty Advisor.
