22nd March 2023

IMPORTANT NOTICE

All the students / staff and other stakeholders of the Institute are advised to scrupulously implement the following DOs and DON'Ts for addressing the menace of stray dogs within the Campus Premises:

DOs:

1. Always try to maintain safe distance from the dogs and avoid approaching them.

2. If confronted by an agitated dog or a pack of dogs, stay still and calm and avoid screaming

3. Break the eye contact and slowly and calmly move away from the agitated dog.

DON'Ts:

1. Don't feed the stray dogs

2. Don't leave any food or eating material in open space which will attract the dogs

3. Don't disturb the stray dog, particularly if it is eating food, sleeping, or caring it's pups

4. Don't approach the stray dog to caress it even if seems friendly

5. Don't provoke, abuse, or throw stones at dogs

6. Don't panic or start running at the sight of a stray dog

7. Avoid dogs displaying aggressive behavior such as growling, barking, or snarling

8. Don't accelerate the bike if dogs chase you, instead get off and try placing the bike between the dog and yourself

9. Don't neglect dog bites, seek medical attention immediately
